Mr. Richard Mak
Director
Alpha-Plus Training Consultants Pte Ltd

Entrepreneurship Talk & Game

JCU Singapore would like to thank you for the time and effort taken to conduct the above.

The students found the game session *Zeros to Heroes* especially engaging and beneficial. They were able to relate to it because of its academic relevance. The game evoked a sense of risk taking which for many was an eye opener. The students came out of the session more exposed and informed.

We hope to work with you in the near future

Dr Dale Anderson
Chief Executive Officer
JCU Singapore
